by a little foresight. Accidents happen, and sickness comes to ALL. Yet very many people never think of providing themselves with means to promptly alleviate the sufferings from either.

An inexpensive and THOROUGHLY RELIABLE safeguard is offered in PERRY DAVIS' PAIN-KILLER which, for 49 YEARS has stood UN-RIVALLED as a HOUSEHOLD REMEDY and TRAVELING COMPANION. It is used externally as well as internally, and is just what is needed for BURNS, BRUISES, CUTS, SPRAINS, &c.; and most people KNOW that NO OTHER remedy is to be compared with it as a CURE for COUGHS, COLDS, RHEUMATISM, NEURALGIA, &c., in Winter, and ALL SUMMER COMPLAINTS in their season.

Protect yourselves with a bottle at once, and be sure you have it with you when traveling.
