PITTSBURGH, PA., JULY 25TH, 1886.

Dear Sirs:—I take pleasure in recommending CRUDOFORM to all who may be afflicted with rheumatism, sprains, etc. Through your kindness I have been able to procure it, and have used it for the past four years with marvellous success. Having now no trace of rheumatism which had troubled me for so long a time, I consider it to be the best liniment that is made as I have tried almost all of them.

Truly yours, E. DOEBLIN, 88 Diamond St.
