THE GREAT BLOOD, BRAIN AND MUSCLE FOOD

## A GOOD DIGESTION MEANS VIGOR OF BODY AND MIND.

Wheat Bitters is a specific for all cases of indigestion and imperfect assimulation of food. Phosphoric acid, as is well known to scientists, is the only one of the acids which will dissolve the fibrinous and nitrogenous elements of the food, and thus aid digestion without attaking the membranes of the stomach itself. Wheat Bitters furnishes this essential in a form available and potent; it is the most efficient assistant in the all important function of digestion and the best and speediest remedy for indigestion, dyspepsia and all attendant ailments.

Testimonials from many persons who have used Wheat Bitters for these and other complaints arising from the same causes, viz: Malaria, Fever and Ague, Intermittent Fever, Jaundice, Billiousness, General and Nervous Debility, Sleeplessness or Insomnia, will be found in a circular which will be mailed free on application.

Ask your Druggist for Wheat Pitters and accept no substitute.
