MHEAT BITTERS COMPANY,

A ROYAL APPETIZER, - HEALTH FOR THE NATION.

A BLOOD, BRAIN AND NERVE FOOD.

THE BEST TONIC AND STRENGTHENING BITTERS IN THE MARKET.

This preparation is composed of the properties of wheat which furnish food for the blood, brain, and nerves, carefully compounded with the best vegetable bitters.

It restores wasted vitality, to the debilitated nervous system by a gentle but effective tonic, and supplies directly to the blood, brain, and nerves, the nourishment which they need.

The richest of the cereals in phosphates is wheat. These phosphates which constitute the proper food for blood, brain and nerve, are obtained from the grain in a manner known only to us, by a process of solution, and not by fermentation.

Wheat Bitters furnishes vitality for the debilitated nervous system. It is a recuperant for the urinary organs, a sure and infallible remedy for DYSPEPSIA. MALARIA, JAUNDICE, BILIOUSNESS, LANGUOR, CONSTIPATION. INTERMITTENT FEVER, FEVER AND AGUE, PARALYSIS, SHAKING PALSY, DELIRIUM TREMENS. NEURALGIA, AND FEMALE COMPLAINTS. And fortifies the system against all similar diseases arising from imperfect digestion, assimilation and miasmatic influences. The abundance of phosphates contained in Wheat Bitters, together with its tonic properties render it invaluable in all affections of the pulmonary and bronchial organs. It producing a most healthful appetite, is styled the

ROYAL APPETIZER OF THE AGE.
