

73 STARRANT'S

EFFERVESCENT*SELTZER

APERIENT.

A MILD, PLEASANT AND EFFICACIOUS REMEDY
IN ALL DISEASES ARISING FROM A DISORDERED STOMACH, LIVER OR BOWELS.

A TEASPOONFUL in a tumbler of water, makes a delicious effervescing draught which corrects Sour Stomach, relieves Vomiting, allays Fever, acts on the Kidneys and Cures Skin Eruptions arising from impure or over-heated Blood.

A LARGE TEASPOONFUL, taken as above, cures Sick Headache, Indigestion and removes the evil effects of errors in eating or drinking.

TWO TEASPOONFULS in a tumbler of water, acts as a prompt and efficient Aperient, thoroughly cleansing the Bowels without violence or pain.
