HORSFORD'S AGID PHOSPHATE

DELICIOUS DRINK
WITH WATER & SUGAR ONLY.

Horsfordin Acid Phosphate,

Prepared and ding to the directions of Prof. E. N. H. KORD, Cambridge, Mass.

FOR DYSPEPSIA,

Indiguion, Headache, Mental & Frysical Locustion, Nervousness, Hysteria, Night Sweats of Consumption, etc.

There seems to be no difference of opinion in high nedical authority, of the value of the phosphates, and no preparation has ever been offered to the public which seems to so happily meet the general want, as this.

Every mental and physical exertion induces an augmented waste of he phosphates. This Acid Phosphate supplies that waste, and imparts new energy to the system, giving the feeling and so increased intellectual and physical power.

It useous, but agreeable to the taste.

No un se can attend its use.

Its action will harmonize with such stimulants as are necessary to take.

It made a delicious drink with water and sugar only.

Pamphle giving further particulars mailed free on application to manufacturers:—
