Gentlemen-I am 54 years old and am now a shoemaker by trade, having been forced into that occupation from the ministry by a terrible case of Catarrh, which destroyed my voice. During the last few years the malady has increased in severity, until life had almost become a burden to me. I had long ago lost the sense of smell, was annoyed at night by fearful roaring noises which nothing would relieve, and in the morning I was accustomed to bring up great. hard masses of phlegm which obstructed my head and throat. Finally ulcers above my tonsils began to work through from the cavity of the nose until they had perforated the roof of my mouth. My kidneys become affected, and I suffered from excruciating backaches; at the same time my scalp also had got into such a condition that I could not comb my hair. I began taking your Poke Root and Burdock, and the first two bottles entirely removed and cured the ulcers. I have now taken six bottles in all. and the backache is gone, my scalp is clear and smooth, my sense of smell has returned, and I have almost entirely recovered my voice. I in-tend to continue your medicine until my voice is completely restored, when I expect to return to active work as a minister.

RHEUMATISM.

Columbus, O., May 10, 1896,

P. & B. Medicine Co.:

Gentlemen-It is well known to my acquaint. ances that all my life long I have been a sufferer from Rheumatism. The whole list of materia medica had been exhausted in efforts to rid my system of one of the worst maladies hnman flesh is heir to. They all utterly failed, until I began using Compound Extract Poke Root and Burdock. I have not had a twinge of rheumatism or carried a cane for more than five years. I can heartily and freely recommend it to all who suffer from rheumatism; and as a tonic and spring medicine.

Yours respectfully, S. C. BAILEY, M. D. Age 77 years. Formerly of Patriot, Gallia Co., also of Gallipolis and Columbus, O., now of Rockland, Me.

COMP. EXT. POKE ROOT AND BURDOCK

is not a temporary stimulant but a permanent tonic, is the greatest spring medicine known, is a perfect system renovator. It is purely vegetable, containing Poke Root, Burdock Root, Dandelion Root, Prickly Ash Bark, Hops, etc., also other valuable vegetable remedies in such combination as knowledge and experience have proven to act as a perfect renovator and builder up of the system. It aids digestion, stimulates the liver and kidneys, opens the pores, makes a good appetite and acts as a complete renewer of the entire system. As a tonic it is unsurpassed.

It is a substitute for quinine as well as for many other harsh and powerful remedies; it has steadily gained in reputation and favor (and that without the extensive advertising often resorted to) until its sale has extended into the various states of the Union. It is recommended and prescribed by physicians, who state they have never found a fluid extract that would take its place as a remedy. We follow these facts on the next page with a partial list of the various ail-

ments in which it may be used with good results. Three to six bottles taken in the spring and fall of the year will keep the system in excellent shape, thereby saving much sickness and expense.

Comp. Ext. Poke Root and Burdock will be found an invaluable remedy in the diseases mentioned below.

Stomach Troubles of various kinds, such as indigestion, loss of appetite, are readily relieved and cured. Many of the ills to which flesh is heir are due to an imperfect digestion.

Deranged Liver and Kidneys, Constipation, etc. The organs of secretion are impaired, the system becomes clogged, and the result-Eruptions, Eczema, Tetter, Boils, Carbuncles, and even Quinsy, are produced; also Catarrh.

Headache, Neuralgia and Rheumatism often have their direct source in an impaired condition of the secretory organs; also female troubles are often due to the same cause.

Cramps and a deranged stomach resulting in looseness of the bowels, are relieved and speedily cured.

The above are some of the principal ailments in which this remedy may be used.
