Every Senior

A LITTLE ALLEGORY OF EVERY GRADUATE

Every Senior is sad because she must part from Student Life. Alma Mater comforts her by revealing what lies beyond in the realms of personal accomplishment, wholesome pleasures, and unselfish service. Then Prince Charming appears. Every Senior is interested in him, but not ready to go with him. First she must give her love and attention to the lonely Child who seeks her companionship and guidance. Alma Mater is pleased with the decision and blesses Every Senior and the Child.
