By The

### SENIOR NORMAL CLASS

#### “The Chain of Friendship”

---

As the rocks in the midst of the ocean  
Withstand the poundings of the foamy waves;  
As the rugged trees on the mountains  
Keep their foothold through stormy days,—  
Just so will the links of our friendship chain,  
That we've forged in the years gone by,  
Endure the beatings of relentless time  
And withstand the shocks from a stormy sky.

—Anna Olivia Drake.
