Sammon

Please assemble in the New Classroom Building at ten o'clock. The procession will form in the right corridor and leave the front door exit. If it should be raining, please meet in the basement of Wright Building. Dr. Browning asks that the rented costumes be returned to the stationary store immediately after the exercises. (The girls who work there cannot go home until the last costume is in.) (If you have been excused from being in the academic procession, please let me know, so that I may correct this list.)

M. N. Posey
