RARE CHANCE For Capitalists!

For rent or lease, one of the finest farms in Eastern North Carolina, situated 3½ miles from New-Berne, well known as "Camp Palmer." The soil is particularly adapted to Truck Farming, and also to cereals and fruits of all kinds. It extends South from Trent road to the picturesque Trent river, over 200 acres cleared land, having over one mile front on the river, with a landing where any steamer or vessel crossing Hatteras can take off produce to markets either in New-Berne or Northern ports; being only 4 miles to New-Berne. Steamers pass every day. Has one of the finest ranges for cattle, hogs or sheep; particularly adapted for a dairy farm and hennery. Suited either for Winter or Summer range. Also, a fine Race Course, one mile track.

Any one wishing to engage in either of the above industries, will find it greatly to their advantage to lease.
