**A SPECIAL NOTE TO YOU**

We at the East Carolina Summer Theatre would like to take this opportunity to thank our patrons for helping us to make this ninth season our most successful summer in the history of the theatre. Next year will be our 10th anniversary and, while that is still in the planning stages, we know you will want to be on hand for the festivities. We will begin accepting reservations on November 1 for those of you who want to be sure to get your favorite reserved seats in the theatre. We also welcome your suggestions on shows for next year's season. In addition to being our 10th anniversary, next year is a crucial year of decision for the Summer Theatre. The long sought-after funding for extensive renovations to McGinnis Auditorium will again come before the State Legislature, and this time we hope for success. If you'd like to help, you can send your letters of support to "The Friends Of The Theatre", Box 2712, Greenville, North Carolina, 27834. Once again, thank you for a great season!
