

Philadelphia

My Dear Garrison,
I have not had a line
from any one in Washington, since I left early
in Sept: I heard in the cars, between here
& Balt: that "Blackwell & Banks" had failed
&c.

I write to beg the favor, that you
will drop me a line directed to this place
informing me how matters stand with our friend to
both of whom I am attached, & for whose
welfare I feel anxious.

of course I do not wish to
humble you for general news, expecting to be
with you again, the latter part of the month

ask Henry Ellison, if he has any
message when you write.

You will oblige me
by taking any letters that may be in the
P. Office for me & forwarding them to me

at this place. I have not a word of
news - Fremont, indeed speaks very
confidently of his election -

My truly yours

Edw. Stanley

Thos. Sparron Esq
Washington
N. Ca.

P.S.

Say to Donnell, Mrs McCauley is here
and anxiously waiting to hear from him -

I saw his Sister yesterday -
his father is in N. York, all well -
