

Capt. Shannon: Mr. Sr. - I
 approve Col. Morris'
 suggestion, and cheer-
 fully accept the
 invitation to be pre-
 sent at Peacocks
 Island to-morrow.
 The ever-memorable
 old South should be
 honored still by the
 North, because the
 Army belongs to her as
 well as to the North.

Very truly,
 Yours,
 G. J. Johnston

July 27th 1861.
