Capt Shannon

The bearer, Arch Tyson,
now a Private in the 1st M Co, 9th Regt, desires
to join one of the Companies on the Coast,
which he has leave to do if he can obtain
an able bodied substitute - Please attend
to it for me -

I reached this place yesterday
evening & have five Companies & part
of another now in camp - Ward's
Company from Ouslow I understand
is on the way -

Come on with you Companies as
soon as you see - Enroll as many for
the war as you can before leaving - But
if you can't get them to do so, I am
authorized to say that you can bring
up three Companies as they are, & we
will take them for the 1st Nov - But don't
let this be known - It is much better for
all concerned to go for the war - G. B. Snyderson
