Capt. T. S. Sparrow. Commanding
Fores Post
Dear Postmaster
Sir

Dr Warren has from some
source, I know not
learned that you were demand-
ing the Horse named "For me",
The intelligence learned to have
mortified him, Noting that
Mr Murphy was not present
to attend to the moving of your
Horse, under such circumstan-
ces. It would be your pleasure
to delay the demand, until I
return,

Yours very
Respectfully

Capt
T. S. Sparrow.
Commanding.
Fores Post

C. A. Best Chap
7th Regt of Volt

Very
Respectfully
