Head Quarters Camp. Washketa
Portsmouth July 11th 1111

Dear Sir -

The time has arrived when I feel it to be a duty to vacate the building now in the occupancy of my company, for the use of the sick in camp. I shall do so at the earliest possible moment, & put you in full possession. Any service that I can render you as surgeon of the post, in providing for the sick, or organizing the hospital will be cheerfully rendered.

I am very Respectfully
Yours &c
