Dear Sir,

Your note by Mr. Prag is at hand.  
I shall be glad to have your company and  
will welcome you at the earliest possible  
moment. You can reach here by R. R. all

We have 100 first rate muskets in Weldon  
for which I send you an order; they are equal  
to any in the State and perfectly new. Unless  
your company is already supplied with the best  
it would be well to leave yours and take the  
pieces at Weldon.
