

Memphis Island  
Sept. 11<sup>th</sup> 61

Dear Sparrow

Your old

college friends, Bussey,  
D. White and Edward W.  
Sudder, of Trenton, N. Jersey,  
have come to the Island  
with the hope of seeing  
you, but finding that the  
orders of the Officers here  
are so positive and prohib-  
-itory, must content our-  
-selves with sending you  
this note as an expression  
of our sympathy with you  
personally — If you send  
a note to us in answer  
we will await it here

Yours

Christy  
Edward W. Sudder

Can we do anything  
for you consistently  
with our relative positions.
