

New York Sept 21. 1861

Dear Friend Sparrow

I have removed from Newbern to Philadelphia together with my family - for various seasons which would require a personal interview to explain - none of these seasons however interfere with my interest, attachments or friendships for my old friends & acquaintances among which I have the honor to number you

It would be a great pleasure to me to be of any service to you

any way - make free, I beg
of you to make any re-
quest - tho' my power will
only extend to securing
you such things as might
increase the comfort of
your confinement - I hope
there is nothing you may
wish - within my power
to supply. that you will
not feel at liberty to
make known to me -

Your family were
well three weeks ago.

I will remain at Col.
Loomis' quarters - say half

an hour for an answer
If you cannot answer
in that time please ad-
dress me at Phila. where
I expect to be for the win-
ter -

I would also like
to know how Mrs La-
tham is -

Very Truly Your friend
