

New York Dec 24. 1864

Mr Garrison Esq
Brookline
Boston
Col Duimiele

Dear Sir,

I send you

herewith the pair of Boots requested - which
are the best that can be procured in New York & I hope
they will fit & suit you - Cost \$9 ²⁵ ₁₁ ^{including Express charge} _{paid here}
you are - They could have been procured somewhat
cheap, ready made, but could not be so good &
your order was for best boots.

Mr A. J. Thomas - 2^d Lieut in your Company
has written us for an overcoat - to be made to
order with very particular directions - I would say that
we cannot provide military clothing or uniforms, but
are very willing to serve Mr Thomas by sending him
a warm serviceable & putted overcoat, such as
I would wear - His letter now read is of so old date
that he may have gone back to N.C. or been provided
with a coat as named will answer, it will be
sent with pleasure - & will be procured as near Cadet
Camp as possible - but that cloth is very scarce & not
heavy enough - it would be 2 to 3 weeks before we could
get such a coat as he writes for - as the orders ahead
are so numerous - You or he will please reply & say
if he is yet with you & with Compliments of the Season
& good wishes - & desiring to be remembered to you

Chas W. Sturges
