

Baltimore Decr 31st 1861

My Dear Sir

Your esteemed letter was received this morning. I handed your measure ^{for the Overcoat} to Messrs. Messinfield & Co and requested them to have it ready as soon as possible. they thought that they would have it done by Saturday next, when it shall be forwarded. I shall with much pleasure give it my personal attention. Notice by the papers that some of the Hatterass prisoners were released or rather exchanged. Was Sam Williams of Washington among them? I am glad to hear that you are soon to be exchanged.

To
Capt Spurnor
of Washington M^c Gray's.

Very truly
