Capt Thomas Spaww

Dear Sir

I regret to learn thro Major Gilliam  
your being some unwell. hope you have recovered before this,  
shall today or Monday send you some Candy Nut Tobacco  
&c. was in hopes to be advised before reading of the "other  
articles" needed. so all could go together. are sure  
Waliser wanted men the men before they leave as think  
the exchange will be soon as there are more now than  
heretofore

St Biggs and Whitehurst I learn will leave soon. if so,  
you must insist that they stop with me. instead of going  
to ~~the~~ those. by doing so. they would be more private  
and have immediate assistance and advice in procuring  
any necessaries wanted. am acquainted with the  
parents of St Biggs and can repay in part the  
obligation to his father for his attention when in  
Washington City. Since  
think St Moore, Graves & Hughes will go to Norfolk today  
St Lapelle spent Sunday with me, and left that night.  
Your Very Truly  
T A Demill

P.S. should you conclude to receive a parcel I have  
at 152 East 19<sup>th</sup> St where there are some friends  
that would be glad to see you
