Friend Sparrow

I send today your order

The shoes seem dear - but such articles are high at present - They are of the very best quality - I hope all will fit - give my regards to Mrs J. & your children -

Men - I sent to Mr Allen a couple of letters - which reached Fort Warren after Mr A. had left - If they come into your possession I wish you would

take charge of them & send
them to Keweenaw when
you reach home -

Allen passed through
here yesterday. He seemed
in good health & spirits.
He mentioned that
he expected a letter from
Mr Hollister - If it should
contain anything about
my wife's family of in-
terest - to her please let
me know. As we have
heard nothing for some

Time -

My wife joins in
regards!

Yours very truly
