To

Capt. Thomas Sparrow.

Dear Sir

I have this day written to  
Washington requesting your release in  
exchange, on your parole, for my son Capt.  
John Markoe a prisoner in Richmond.

I believe the request will be granted, if so.  
I shall, on your way south, be pleased that  
you should remain at my house, and I  
shall also be happy to facilitate your return  
to your friends & family in any way you  
may desire. —

Respectfully  
Yrs.
