Dear Frank,
I'll bet you're wondering who this is, but be patient, 'cause I'll soon tell you.

I got your address from Dolores Carson. She doesn't know I'm writing you, so please don't tell her.

My name is Marion M. ^{Mc}Evoy. I'm 5'5", 122#, I have blond hair and green eyes. Sounds gruesome, doesn't it?

I sure hope you won't be mad 'cause I'm writing you. Are you?

Did you live in Detroit before you joined the Navy? Is it warm in Virginia now? It's so cold in Detroit I nearly freeze to death. We just had our first blizzard this year.

By the way, I go to Catholic Central High and I'm sixteen years old.

Do you boys see a lot of movies? Do any of the movie stars come to entertain you?

Well, right now I'm in the most exciting

Class right now = English. (Big joke).
The bells going to ring and I'll have
to close now. Write soon.

Ever as Forever
Marion
