Hello Frank,

Received your card and thanks a million for keeping to your word. I really was surprised to receive that card. Hope you are feeling fine. I am fine, and the mill is the same old thing over and over. Fighting at times and happy at other times at the mill, you ought to know. It's one happy family at the mill. You ought to not mind the ragging you get there.

They rag you everywhere you go. I'm glad you like that kind of life. Frank, I don't want you to think you have to answer this because I know you have lots of friends and relatives to write to.

I only wrote this to thank you for keeping to your word and for the card. I'm awful glad to hear you like that kind of a life. Hope I do see you when you home on a furlough.

Best of Luck while in the Service from us all. Frank and take care of yourself.

Always a friend. Lucy.
