Dear Frankie;

How are you? Hope
you aren't as hot there as
we are here, boy! is it hot.

I really haven't much
to say as I don't know
what would interest
you, of course I could
talk about the dull, dry
subject of work but its
still the same old thing
day in & day out.

I suppose you don't
mind getting up early
you were used to it
I hope anyway

II

How do you you like
it? Its tough the
first few weeks I bet
but you'll get used
to it it'll make a
man out of you (I hope)
I hope you don't
mind my rudeness
and give your little
Saugie my love.

Hope to see you soon,
