(Date)

Hello Navy.

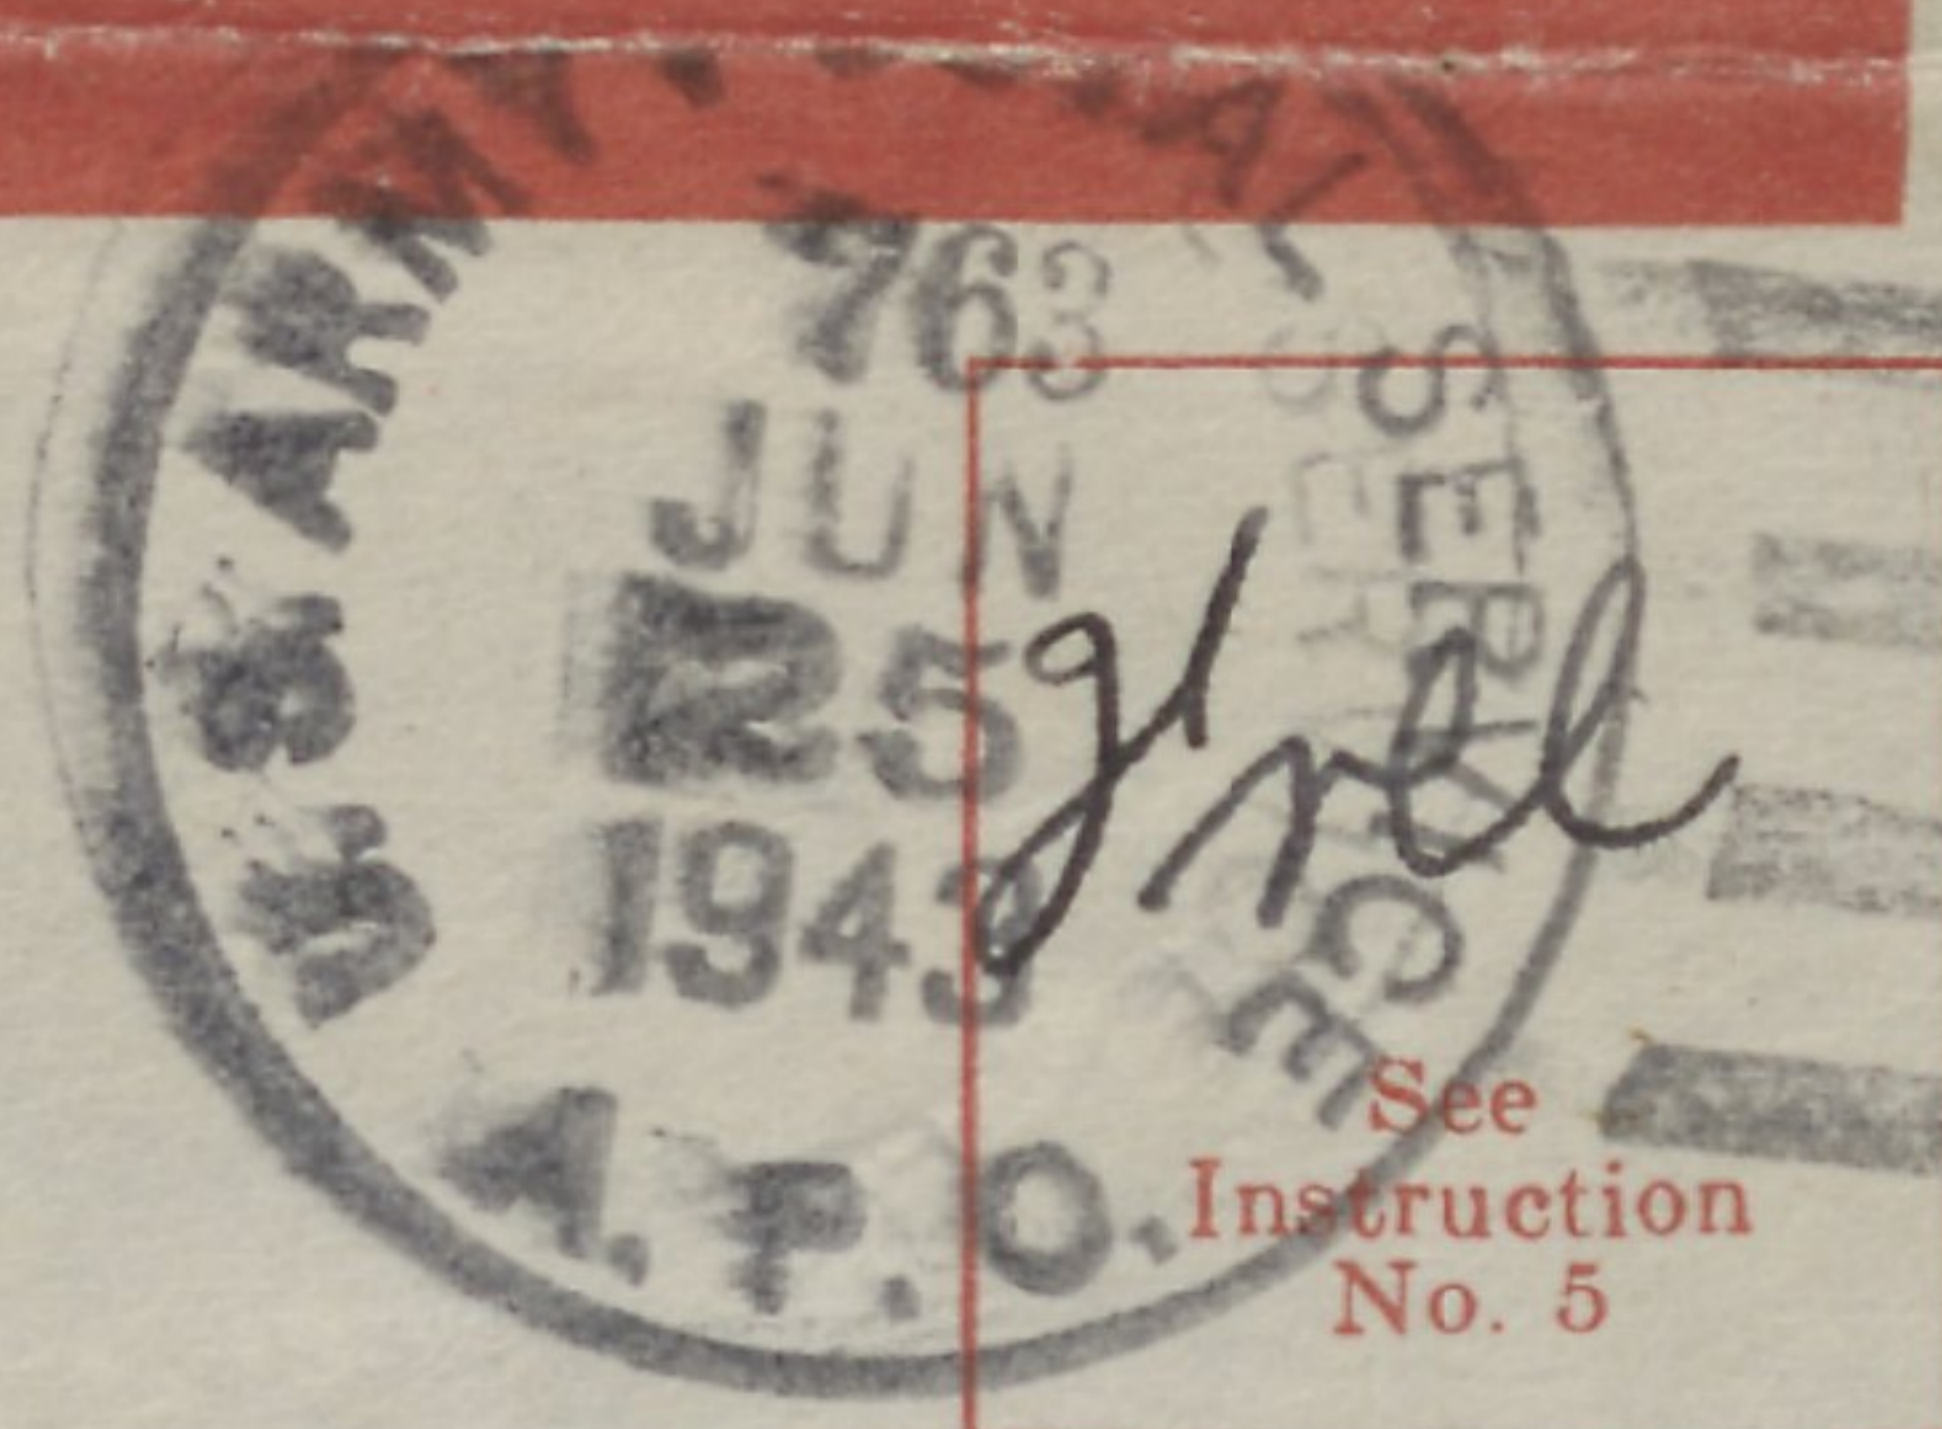

How are my sailor brother getting along? Are they treating you rough. No, I could imagine you drilling & working your own clothes. Now you will know what I've been thru. But you will get used to it, like I did. You still a rookie yet & you've got lot to learn but I know you will make the grade. I wouldn't worry about your heart now because if the navy passed you there is ~~not~~ nothing wrong with you. Sister Frank anytime you run short of money let me know. I've got a little money saved & you can have it anytime you need it. I bet you're real because I don't say much about myself but now that you're in the navy you should understand. I'll do all the best & all the luck in the world to you.

Take care of yourself.
Brother Mitt.

- mail, 6c if air mail is desired).
- (5) V-Mail letters may be sent free of postage by members of the Armed Forces. When sent by others postage must be prepaid at domestic rates (3c ordinary mail, 6c if air mail is desired).
- (4) Enclosures must not be placed in this envelope and a separate V-Mail letter must be sent if you desire to write more than one sheet.
- (3) Fold, seal, and deposit in any post office letter drop or street letter box. which attached, and APO or Naval address.
- (2) PRINT the name and address in the two panels provided. Addresses to members of the Armed Forces should include rank or rating of the addressee, unit to which attached, and APO or Naval address.
- (1) Write the entire message plainly on the other side within marginal lines.

INSTRUCTIONS

V-Mail Service provides the most expeditious dispatch and reduces the weight of mail to and from personnel of our Armed Forces outside the continental United States. When addressed to points where micro-film equipment is operated, a miniature photographic negative of the message will be made and sent by the most expeditious transportation available for reproduction and delivery. The original message will be destroyed after the reproduction has been delivered. Messages addressed to or from points where micro-film equipment is not operated will be transmitted in their original form by the most expeditious means available.
