Dearest Franky,

Have received your lovely letter  
so am answering as soon as possible.

Feeling not so good because of a  
cold. I did not see Ron when he  
was home on furlough. Him and I  
are all washed up. He doesn't like  
me no more than the man in the  
moon. He did like me once but  
since he's been in the Navy he's  
changed a lot. I supposed he was  
glad to see you too. I told you  
he was in my first letter. I'm  
glad you said no because I am  
writing enough. I love to write  
but I want some time to my self  
also. I will send you a picture  
next week because I intend to  
go swimming and horse back riding  
next Sunday. If you happen to run  
into Ron I say something about me  
to him and let me know what he  
says please. I would like to know

the truth just <sup>21</sup> how he feels. If  
he feels the way I think he does  
he probably won't talk or change  
the subject. Well I'll send you

the picture as soon as possible.  
Closing with Oceans of Love  
Best Regards, and a kiss on  
each wand.

You didn't answer my question  
about you taking me out before  
you left.

Well I'll say good night now  
until I hear from you!

Yours  
Scorby
