Dear Frankie,

Received your long awaited letter
and am very glad to hear from you.

Hoping this letter finds you in the
best of health.

Yo I'm not sore at you because
I know how things are.

I wanted to see you very badly

also I heard you were down the
shop that Friday and I was very
sorry I didn't see you.

That day on Youth Street you looked
swell gee I couldn't get over it.

I saw you and Blonty go down the
shop Friday and I was in a car
just getting out of work.

You look swell in your blues
better than your white uniform.

Frankie about your pictures I
have no picture of you and your
cousin and I didn't tell you I

2.

had one of you. Please believe me.
Yo fellows have sent me a picture
of you.

But I have a picture of my self
but I haven't any in my bathing
suit. I'll get some for you.

You know it's awfully hard to
get films out here. I tried several
times but the store haven't got
any. I'm sorry you didn't find
me home. I wish you did come

down because my father or
mother would never throw
you out because my father
knows your father and my
mother likes you an awful
lot. Gee I wish you could be
nearer to Pittsfield. That would
be swell. I bet when you saw
me on Youth Street you nearly
drop. Franki I would like a
picture of you in your blues
if you don't mind.
