Dear Frank -

Please forgive me for not writing sooner - I'm truly sorry. But I've been so busy these last two weeks I just haven't had time. Have you ever tried to entertain a ten year old Indian?!! And I do mean Indian! It's a girl, too, no less. She & her mother just went home today so maybe now I can get caught up on my letter writing.

How's everything with you? How do you like Mick.?

One week from tomorrow I start to Business College. How I dread that first day! I'm not one to get acquainted very fast - you know, sorta the bashful type. Why it took me from Sept. until about March before I knew the girls very well here at Wilson. But boys - well, that's an entirely different matter! I can get to know a boy in 2 minutes! Wonder what's wrong with me!

I'm going back to my home town Sat. for a visit. Until Tues. I guess. My cousin's boy friend just left for N. C. - Air Corps school so I have to go keep her from getting lonesome. As if I could!

He called her up Sun. said he stood in line 6 hrs., missed his supper & paid \$1.50 for 3 min.!
Must be love, huh!

Haven't heard from Bill in a long time. Is he sick - or just busy? Say hello to him for me.

Frank, I've had some pictures taken of me - but the roll of film hasn't been used up yet. As soon as it is, and I have it developed I promise I'll send you a picture. I've kept you waiting a long time haven't I?

We've had some pretty cool weather the last two weeks but it's warmed up considerably now.

Went to see "This Is The Army" last night. It was wonderful. If you haven't seen it yet & you get a chance, be sure & go. Also saw "Heaven Can Wait" which was good, too.

Can't think of much more to say now. I'm on the 1a.m. - 7a.m. shift again this week but I'm quitting Thurs. I'm glad, too - it gets too monotonous.

Write soon & tell me all the news.

Until then -

As ever,

Eddie
