Hi Frank,

I got your card a few days ago & I was glad to hear from you. I am shipping for Texas Saturday. So I guess I won't be able to see you again. Although I enjoyed myself tremendously while you were here. You should have come up to Michigan earlier. Then we really could have met more often.

How long did it take you to get home that night? I hope you made it all right. Then babe we picked up that day. I sent her the next weekend & I put the boots to the bag. She sure did come across with

it. She wasn't so hot though.

I go out with a cute  
kid from the Michigan Theatre  
she is really pretty. I was up  
her house a few times & her  
folks are nice. We really  
had a good time.

I guess we won't be  
seeing each other for quite  
some time Frank. So I  
wish you all the luck  
in the world.

I'll send you my new  
address so write soon.  
I remain as ever:

Your Pal  
Emile
