1130 Mission Ave  
San Rafael, Cal.

Nov. 20, 1943

Dear Frank,

I just received your letter today (Sat) and I'm answering it right away so you can get it before you leave.

Gosh I hardly got any mail at all this week and then this morning three of them came. It sure made me feel good.

So it really started to snow out there? Well you get the snow + we get the rain. It's been raining steady for a couple days now. In fact it just stopped about an hour ago. This weather makes me awful, gloomy and lazy.

look just like kids. Who knows, maybe you'll be sent out to some of the bases out here.

Well, today is your birthday isn't it? How does it feel to be nine-teen years old? You know, I'm sorry I couldn't buy you a present. It makes me feel awful when

I can't buy anything for anybody's birthday. But then Tony doesn't make much, and with the baby coming, we have to try to save some. I hope you understand. I did go send you a card though, I hope you got it on time. Tony had it in his pocket two days

See, I'm tired! I've just finished giving the house a good cleaning. Also you by any chance know when you going when school is thru. I got a letter from home and they said you were getting a 72 hr. leave. Are you going to go home if you get it?

I got a letter from Mutt, he's in Italy now and seems to like it. He said there were a lot of beautiful women there.

So, the people stare at the small sailors do they? You should see all the sailors there are out here. And there's plenty of them who are small and

before he remembered to mail it.  
I got a letter from Anne S. this  
morning, she was asking how  
you were. - Gee, is Mamma slow in  
answering my letters, I get so impatient  
sometimes. But then I guess she's busy.  
Well Frank, I haven't much to write  
& besides I have to go out yet, or else  
I won't find any meat left in the  
store. So - so - I'll close now. I hope  
you get this letter before you leave. Try  
to write to me as soon as you can so  
I'll know where you are. Be careful  
now and be good.

Johnny and I send our love and  
wish you luck. Take it easy kid!  
So - Long for now. Love + kisses

SISTER

Kay
