Dear Frank.

I'm sorry that the
Larry Trispy whose name
is on the bulletin isn't
isn't the one from
Pittsfield.

At least the last
I heard from him
was a month before
Christmas and up to
a week ago his family
hadn't heard from him.
So it is only a slight
possibility that it is

²
the Pittsfield Army Griggs,
isn't it?

Did you know he
has been assigned to
the Marines and trained
at San Diego

If I ever hear of
his being near Norfolk
I'll let you know.

Best of Luck +
Happy New Year

Joan
