Dear Frank,

I received your letter & was very glad to hear from you. The family is feeling fine & we hope to hear the same. I know your not a 3rd class petty officer now so I won't tell anyone anymore. I only talk about 5 boys the most. If you happen to come home, just tell them you got busted how's that? Tomorrow I'm going skiing with Andy' again to see

As to climb the ropes so
they won't get ticklish?

By the way what do D, C, ?

funny always happens
to me when I try to
climb the ropes why I'm
~~always~~ one of the few boys
who can't climb the ropes.
I know I've got the
strength but every time
I get about half way

it is but I was
wondering if you could
tell me what I could

I got a C in Geometry I
like it though and I'm
getting it pretty good now
and a (D?) In history I
hope to bring it up. I'll
Frank wish me luck on

skiing tomorrow. I don't forget
