Hi Frank

Well how are you and the Navy
Getting along. I bet this letter is a
surprise to you. Well I finally got
time to write to you. I have been
very busy up here. We have a lot of
work to do.

I got the letter you sent to my
folks. Glad you liked what they sent
to you. Your pretty lucky to get a
package. Yes I get one once in a while
but most of the things in it are for
my wife.

We are both alright and are have-
ing a good time up here. We are stay-
ing with her mother for now until
We can find a few rooms for our-
selves. There might be another David
Gardner running around pretty soon.
If you no what I mean.

How are the girls were you are.
Do you get much out of them. I bet you
Make out alright when you go out on
liberty. They shipped to boys from
here down near were you are. Camp
Bradford is the place I think.

Well her we had a big snow storm
up here this week. Do you see any snow
at all down there. I got seven days
leave coming to me this month. I
might go to Pittsfield to see a basket-
ball game. Pittsfield is tie for first
place now. They are doing all right
for themselves.

I have not seen one of there games,
in two years. I think they are tie with
Adams High.

Well I guess thats all for now
as I am pretty tired and I got a watch
tomorrow morning at 4. So I will close
now hoping you are alright.

From your best pal

DAVE

P. S. Have you grown any since I
last saw you. I am now 5 ft.
9 1/2 in. tall and weigh about 140 lbs.
