Dear Frank,

I guess you'll be surprised to hear from some one you don't know. But you see, you wrote to Dolores Carson the other day.

She (Marvin & I) are in her class at Catholic Central High.

She has too many sailors on the string so we decided we help her write to them. Although she doesn't know it. So we took your address. Gee, she's gradder than Heck. So we told her we ripped it up. She's afraid we'll tell (tails) tales. So please don't get mad. Are you ???

Well, I might as well tell you about myself. I'm five foot 3 in I have long light brown hair, brown eyes. I'm a Catholic, as I guess you gather from the school I go to.

Is it warm down in Norfolk? It's

freezing pop here right now. And it has been snowing quite hard in the past few days. First time this year. Did you live in Detroit before you joined the Navy?

Marion and myself are comparing letters so if there is anything similar in them you'll know why.

Golly Moses, we were ever in a boring class. Geometry! I like Geometry a lot but not here. The class just seems to drag out.

Do you see many movies? A week ago I saw "Tender Comrade", if you can see it, don't miss it! Boy, it's really swell.

Oh, by the way, I'm 16 yrs. old. I'm 4 mo. older than Marion.

Well Frank, I'd better sign off now. Please excuse the writing and also us for taking the liberty of writing to you. Okay??

Sincerely

Dorothy McConnell

P.S. What do you look like?
