Dear Frank,

I received your letter today and was very glad to hear from you. I thought maybe you forgotten me or something when you didn't write.

I don't work at the Broadway Capital I've been transferred to the Alhambra Theater.

Don't tell me you don't like things to get busy down there? Have you found the right girl that you're going to settle down with?

I got some new records one is Holiday for Strings & Mazy Doats they are both by Tommy Dorsey.

Well Frank I can't think of anything else to say so I'll say so long for now. Love
Delores
