Dear Frank,

How are you? I am fine except for a sore throat I have. I went to the show yesterday to see the "Fighting Seabees" it is a really good picture. Have you seen any good pictures lately?

I am very surprised to hear that you know Marian McEvoy how did you ever meet a bag like that? She gave me the letter that you wrote to her to read. How did you meet her? ~~She~~ When she gave me the letter to read I almost fell over when I saw your name on it.

She told me that she use to talk to you over the phone & she knows you very well. but when I read the letter it seem to me that you didn't know her at all. Well enough about that.

What do you know that is good?  
Are you still working hard?

What days do you get out over there?  
How are the girls down there.

Bill told me that they are really  
hard up is that true?

Have you seen Bill yet?

Well Frank I guess I will end  
now because I can't think of any thing  
else to gossip about.

Love & Kisses  
Beloved

P.S. Write soon & Take care  
of yourself.

Bye now
