Dear Frank.

I received your letter and was very glad to hear from you.

I bet you were glad to see Wilson & Stanisak. I am talking about a picture I had taken of myself.

I know I mailed it to you because I haven't got it. I'll have another one taken and this time I'll make double sure I put it in the letter. Have you been working hard?

I don't care much for the weather we're having down here rain rain all you see is rain.

I bet you won't believe me but I stop working around because I think it is about time and it doesn't look very nice for a girl to be running after a fella.

Well enough about that.

How are you making out with all the girl down there? Yes I have been going out but mostly skating at the Arena Gardens. Are you planning on coming back to Detroit?

(over)

Well dear I guess I will end
now till I hear from you

Love

W. L.
