Hello Frank,
just received another letter from you. It looks like air mail is finally working out alright. I hope it keeps up that way. Well I see you haven't gone to sea yet. I imagine you will be gone by the time you get this letter. If you do I hope we meet some day. I sure would like to see you. Who knows we might some day. Thanks for telling me the name of your ship. I'll be on the look out for it. You had 2 cent tell you just what I am but I imagine you could guess. Why don't you write to Emily maybe she can give you a good hint. What do you think about this next invasion? How you are idea when it will break. All it follows had our capture to get this over with. To tell you the truth I think its a big bluff. Let me know your opinion. Things are about the same with me rather much to say. So I'll close now & hope we meet some day. Take care of yourself & plenty of luck.

Brother
Mario
