Hello Frank.

Just received two of your letters, one was dated the ninth of march & the other the twenty third. It took quite some time getting here. I hope mine went that slow. I also received the snap shot of you. Not bad at all. You look a little older than I thought you looked. I haven't had a chance to take any lately but when I do you'll be the first to have one. Mum tells me that you're in New Orleans now. I haven't got your new address yet so I hope you get this letter. I guess you will be on the sea soon, hey kid. Lets hope it will be on this side so we can meet some day and besides I think its much better than the pacific. Did you hear get that Emily got a baby girl? Boy are they disappointed but that's life. Maybe next time! Things are the same with me. I get a little time off now & then but I got to watch my step. Two more diseases here. One of the worst ever there I've been to get that horrid V.D. The women sure love their fucking here. Well brother, all the luck in the world & may god keep you safe. Lovingly,
Brother - Marie
