 feeling that way. As for me I'm still in the park &
 really nothing to worry about. I'm not sure for
 you not writing sooner. I know how it is. Maybe
 you will understand now. Now that your in the
 go I hope we meet some day. Sister if you ever
 land in I take go to the biggest city & find
 the Red Cross. There you could send me a telegram
 all you have to do is write my name & just
 where you are & I will get in contact with you.
 I'll do the same. you could still ask the woman that
 I told you about tell you where I am. I've
 got a bunch your there now. Or down to the Pacific
 some where. just the same try to get in touch with
 me if your eyes around this way. your asking
 me if I think I'll get a leave soon. Well I'll tell
 you the truth. No. I'm lucky if I get a pass to
 town, which is not after. I guess I'll have to
 wait till this is all over with before I go home.
 Well Frank got to close & lets hope we meet. So long
 Good Luck & Be careful.
