Hello Frank,
I don't have much to do so I thought I'd
drop you a few lines. How is everything?
Did you get over your sea sickness? I bet
things are pretty hot out there. I've been trying
to figure out just where you are but can't
quite guess. But if you are ever to get
around I'd like to forget to do what I told
you. I don't get much of a chance to get out
so it makes it pretty hard for me to find
out if your ship came around here so I'll
have to leave most of it to you. If I know
you're around here I know that I can get
a pass, so let's hope you meet. Nothing has
been cut out of your letter yet. Do they have
tough censors there? Well Frank there isn't
much I could say about myself but things are
popping again. I'll close now with lots of
luck & take care of yourself.

Brother
Mario
