Dear Frank,

I hope this letter finds you in the best of health.

Only 2 days more for the Senior Ball. Last week or should I say May 14. we went to New York. We had a wonderful time. I hope you got my card. We stayed at the Tatham house. It wasn't big but it was cozy. Angie and I shared a room together. We did interesting things <sup>in New York</sup>. We saw Fred Waring in person at the Vanderbilt Theater.

Angie's boy friend was home Friday. It was nice seeing him.

What have you been doing with yourself.

I guess that's all for now until I

hear from you.  
As ever  
Love  
H
