Dear Frank,

How are you? I do hope you've been feeling better. How's Ernie & Bill?

I haven't heard from you for quite some time — have you forgotten all about me? Have you been writing to Nettie? I haven't been seeing her since we graduated.

I'm working down the G.C. in Bldg. 41 (payroll dept.) in the office.

I like it — but I'd rather be a house-wife anyday — tell that to Ernie when you see him — okay?

See Frank, there isn't much to write because you've become quite a stranger now. Before I felt as ~~if~~ if I had known you all my life.

Have you boys been receiving mail lately?

By the way, Ernie told ^{me} you & Bill were sea-sick — were you?

I hope you feel much better now.
Yes, I don't know why -
but I've a feeling that the bunch
of you are coming back to port now.
I sincerely hope so! I miss Emie
like the dickens!!

Well Frank, I haven't
any more to write so I'll close
you. I hope to be hearing
from you very soon.

God Bless You and take care of
yourself -
A long + Goddute -

As Ever,
"Cuzie"
