

a Birthday Greeting for You,

Post Script

Dear Frank:

I hope this reaches you
on time. I suppose you'll
pass your Birthday there. Well
here's hoping it will find
you well & happy. Are you
sure yet of going to Pittsfield?
I hear they have four inches
of snow there. Here lucky so
far, but will due for some
soon. Well Frank I'll write
in a few days. If you leave
for home earlier let me know.
Be good now, Many happy returns
As Ever Em.

This greeting holds
special thoughts, Brother,
And many fond memories too,
And it's bringing
the best of good wishes
For all that's best, always, for you!

Em. & Fred
Carol.
