Dear Frank,

Received your letter written April 26th and was very happy to hear from you. I'm feeling fine and hope the finds you the same. Have you gotten any of my mail since you last wrote. We're suppose to be having spring weather but its been raining nearly 40 days. Sky the sun out but two to one it rains this afternoon. I'm not working because of V-E day. Ben home for two days. New York is beautiful since all the lights went on again. Especially on Times Square. It won't be long before the curfew will be lifted and then things will start going back to normal. Say Frank who's other Ruth, Bill sends his regards to. Don't it Rose Marie he means. Or are there other girls on the lines send Bill & Ernie our regards. My best

Have you filled in complete address at top?
