Dear Frank,

Received your letter
this morning and was
glad to hear from you.

I'm feeling fine
and hope this finds
you the same.

First of all, my
name is Fossie not
Angie. That's twice you
made that mistake.

But your excuse we
all make mistakes.
and I was away for
two weeks not one.

Maybe I got the wrong letter. Maybe it was meant for an Angie instead of me.

Well how did you boys take the good news about the war ending. New York did an all-out celebration. Some places the celebrating went on for a week. Times Square was the best place of all. It always is. We didn't work for two days. Spent one day on Times Square and went dancing at night.

Came out of there and
was in with the crowd
a gain. Whether you
wanted to be or not
you were in.

Over here where I live,
every block has been
having a block party.
One night since. One
comes either on the 15
or 22nd of Sept. I
hope they have every
thing they say their
having.

For my family the
news came as a second
surprise. My kid brother
is expected home. Got

in on the Queen Mary Tuesday.
Called us up, and said he
would be home in a few
days. Here it is Saturday
and we're waiting patiently.
His poor girl keeps coming
back and forth. And she
doesn't live near us either.
This waiting can be a pretty
terrible. I wonder if
he'll still go to the
Pacific.

Well Frank can't think
of anything else so I'll
say good night for a
while. I hope this
letter finds all you boys
fine. Give them my regards
Fred.
